

The Jefferson County Landmarks Commission met in the Planning Commission's Office on September 9th at 10:00 a.m.. Those present were Miss Stanley, Mrs. Riely, Dr. Washington, Capt. Schley and Mr. Franzen.

Dr. Washington enumerated various county homes that might be considered for landmark status because of probable bi-centennial period existence.

Capt. Schley recommended that we start by visiting four of the houses mentioned.

Certain clarifications and revisions to the by-laws and constitution were discussed. Miss Stanley will make the necessary corrections and submit by next week.

Capt. Schley read letter regarding the Commission's tax exempt status that he had received from the Internal Revenue Service. Capt. Schley said he had written to IRS for further clarification.
